Kavirajnagar
Khammam – 507002
Telangana

e-mail: nikithakalingareddy@gmail.com
Contact: +91 - 7702571122

OBJECTIVE:

To take up a challenging career as a professional, so as to utilize my qualifications, skills by working effectively and extend my sincere services towards the progress of the company that offer mutual professional growth.

ACADEMIC PROFILE:

MINI PROJECT :

Design and analysis of **INTZE WATER TANK FOR DIFFERENT SESIMIC ZONES** by using staad pro software. Presently large number of overhead tanks is used to distribute water for public utility, but they are constructed either circular or rectangular shapes which doesn't have heavy capacities. In order to increase capacity intze water tanks are used.

MAJOR PROJECT :

Experimental investigation on bending properties of **MINI BARS REINFORCEMENT CONCRETE** as a dispersed reinforcement. Minibar may be a new non corrosive structural macro fiber made up of basalt fiber reinforced polymer material that has high lastingness and other attractive physical and mechanical properties.

Academic Qualification	Institution	Academic Year	Percentage
Civil engineering	SBIT Engineering College, Khammam	2023	68.5
